## **Thought leadership**

### **Avoiding ARM compliance challenges**

From early disclosures to rate adjustment notices, ARM loans create several opportunities for compliance errors. Review common issues involving disclosure timing, indexes, caps, calculations and notice requirements.

## **Events**

### **Risk roundtable: Understanding AI to support responsible governance**

Our October Risk Roundtable will cover AI fundamentals and how AI is changing the risk landscape. In many organizations, employees are rapidly adding AI to their daily workflows, and adoption is moving faster than governance.

The session includes a 45-minute presentation, followed by a live Q&A.

Register today to stay informed and keep your institution ahead of emerging risks. This session will provide best practices for supporting responsible AI implementation.

Join us on October 15 from 10:00 a.m. to 11:30 a.m. CT.
