Events

[IT Leadership Roundtable: Audit updates, regulatory changes and emerging risks](#)

In the next IT Leadership Roundtable, we'll break down the latest IT audit trends, highlight common findings and outline practical strategies to strengthen your institution's risk posture. Learn how to align your audit program with FFIEC guidance, emerging cybersecurity frameworks and upcoming compliance priorities.

Who should attend: IT Leadership Roundtables are designed to support compliance officers, IT managers, information security officers, IT auditors and operations managers working in financial institutions.

Join us virtually from 9:30-11:00 a.m. CT on February 26, 2026.

CFO Roundtable: Exploring the evolving M&A landscape

Join us for spring's CFO roundtable — a quarterly learning opportunity for CFOs, CROs, controllers and other accounting leaders in financial institutions.

On May 7, we'll take a closer look at the evolving M&A landscape and what the activity means for financial institutions. We'll also discuss upcoming changes in purchase accounting and how to prepare for new reporting requirements.

Join us virtually from 12:30-2:30 p.m. on May 7, 2026.
